## AC/DC Battery Charger

The Ark AC&DC Battery Charger is now available through Drivetech 4x4, providing a solution to smarter battery charging.

### Product Features:

- 7 amp, 7 stage smart charger
- Charges main battery types / sizes
- Time tracker LCD screen
- Monitors and conditions

**Part Number: ACDC7**

### Additional Features:

#### Battery Monitor / Analyser

Even when not actively charging, the charger still provides on-going monitoring of your battery - displaying voltage, temperature and percentage of charge.

#### Secure AC/DC Connection

Easy 3-step secure connection. Simply pull back the plug sleeve, insert, then release. This locks the lead into the charger for a secure fit in all situations - especially on the move.

#### DC Interchangeable Connection

Allows for a quick and easy interchange between alligator clips or a hard install harness to your 12V battery.

#### Vehicle Mounting Bracket

The bracket secures the charger in your vehicle, whilst also making it quick and easy to transfer to your home, allowing you to charge your batteries anytime, anywhere.
